

BARRACUDA PACKAGE

4 Days - 10 Dives

This is our top-rated package during the Mola Mola season! Over 4 days and 10 dives, you'll experience Bali's diving classics: start with Tulamben's iconic Liberty wreck (dived by day and night), then shift to three days focused on sites with high chances of spotting the elusive Mola Mola. You'll stay in Tulamben on the first night to maximize your time on the Liberty wreck. Next, tackle the sportier dives at Mimpang and Tepekong for a fresh underwater challenge. Finally, spend the last two days swimming with majestic manta rays and hunting for the legendary Mola Mola (season July to October) - a perfect grand finale!

TULAMBEN

Day 1 : 3 Dives

- Pick-up from your villa/hotel, then transfer to the Sanur dive center to test your gear and complete final paperwork. Depart for Tulamben in an air-conditioned vehicle (about 2 hours and 15 minutes from Sanur).
- Check-in at your hotel overlooking the dive sites. Relax while your guide handles logistics and prepares your gear for the first dive.
- First Dive: Shore entry from the pebble beach to explore the iconic USS Liberty wreck, perfect for macro photography or wide-angle shots!
- Lunch at the hotel restaurant.
- Second Dive: Shore entry at the Tulamben Drop-off. Start on the black sand seabed to spot tiny critters and macro life, then dive along a stunning wall with giant sea fans. Look out for bumphead parrotfish, reef sharks, and more.
- Afternoon relaxation by the pool.
- Third Dive: Night dive on the Liberty wreck—see how it transforms under your flashlight's glow!
- Dinner at a local warung (Indonesian eatery; cost not included).
- Overnight stay at your Tulamben hotel (air-conditioned rooms with hot water).

- **USAT Liberty**

GILI MIMPANG/TEPEKONG

Day 2 : 2 Dives

- Early Departure: Leave after breakfast for Padang Bai (1-hour drive).
- Arrival: Check in at the dive base while your guide handles logistics at Padang Bai Beach.
- Boat Transfer: Sail to Gili Tepekong & Mimpang islands in a traditional outrigger boat (30-40 minutes).
- First Dive: Explore Gili Mimpang's rocky drop-off—spot reef sharks, Mola Mola (ocean sunfish), and other marine life.
- Surface Break: Relax on the boat with snacks, coffee, and tea.
- Second Dive: Dive Gili Tepekong's dramatic wall—discover shark nurseries, caves, and more adventurous terrain.
- Return to the dive base for lunch before transfer by speedboat to Nusa Penida (± 30 min).
- Dinner in a small local warung (restaurant) (not included in our rates).
- Overnight at the hotel (air-conditioned, hot water).

For the Gili Mimpang and Gili Tepekong sites, you need to be at least Level 2 or Advanced Open Water. Your guide will be able to assess your level on the first day and advise you whether it's better to dive Padangbai instead of Gili Mimpang and Tepekong.
