Day 1 : 3 Dives

- Pick up at your villa or hotel in South Bali, arrive at the dive center in Sanur to check the equipment and complete the last administrative formalities, then depart for Tulamben in an air-conditioned vehicle (2h30 from Sanur).
- Settle into your hotel overlooking the sea and the dive sites, while your guide takes care of all the logistics and equipment preparation for the first dive.
- First dive on "drop off" the Tulamben drop off, departure from the pebble beach, start diving on the black sand to look for small, magnificent drop offs and giant soft coral. It's not uncommon to encounter humphead parrotfish, small sharks and much more.
- lunch at the hotel restaurant with the sea view.
- Second dive on the famous Liberty wreck, departing from the pebble beach, where everything is possible, from ambiance to macro!
- Afternoon relaxation by the pool.
- Third dive at dusk on the Liberty wreck, a completely different atmosphere.
- Dinner in a small local warung (not included in our price).
- Overnight at the hotel (air-conditioned, hot water).

Day 2 : 2 Dives

- Check-out from the hotel after breakfast, departure for Amed base and dive sites (30min drive).
- A first dive on Amed's beautiful drop-off (Wall satu), using the famous traditional fishing boats (Jukung).
- Lunch at the dive base overlooking the sea, relaxing in the pool.
- Second Jukung dive at the Pyramid site, Amed's first eco-project. Around fifty richly colonized pyramid structures line a pretty coral garden.
- Return to the dive center in Sanur before being driven back to your villa or hotel.
