7 Days - 18 Dives

A full week Bali dive package. In seven days you will do the complete tour of Bali, discovering many facets and most types of diving that Bali offers. This is a dense program but with so much incredible diving in Bali, of course you want to do as many dives as possible. During your week with us you will visit the Bali Barat National Park, you will dive the fabulous walls of Menjangan Island which are littered with giant gorgonians. You will do muck dives (macro in the sand) at Secret Bay in Gilimanuk and Puri Jati in Seririt, as well as secret Serraya of Tulamben. Wreck dive the Liberty without the hustle and bustle of rush hour, during the day and at night. Sail aboard traditional boats (jukung) in Amed dive sites, and end with a memorable day in search of the mysterious Mola-Mola and the wonderful Manta Rays of Nusa Penida. Experience a week of discoveries with our experienced team and flawless logistics.

PURI JATI

Day 1 : 2 dives

- We will pick you up from your villa or hotel in the South of Bali and bring you to our dive center in Sanur. Here we will complete paperwork and try on equipment. Then we will depart for Seririt in our air-conditioned vehicle (± 3 hours from Sanur).
- Upon arrival in Seririt, we will prepare gear and go for our first dive in search of macro fauna.
- During the surface interval we will have lunch at the dive site.
- Our second dive will be on the other side of the site.
- After dive 2, we will depart for Pemuteran (± 1 hour drive) and check into the Hotel. At the hotel, enjoy the afternoon in the swimming pool or the hotel garden.
- Dinner will be in a small local warung (restaurant) (not included in package).
- Sleep in Pemuteran Hotel (air conditioning, hot water).

MENJANGAN

Day 2 : 3 dives

- After breakfast, we depart at 8 am and head to the harbor of Labuan Lalang to board a traditional outrigger boat for a (± 30 - 40 minute) ride to our first site.
- Our first dive is at Garden Eel, a fabulous drop-off ending on a white sand bottom with thousands of garden eels.
- We will spend the surface interval on the boat with fresh water, tea, coffee, and snacks.
- The second dive will depend on ocean conditions at the Anchor dive site -- a superb wall near Garden Eel.
- Lunch will be on the island with a view of the volcanoes of Java. After, we can spend time relaxing on the white sand beach.
- Our third dive will be at Bat Cave - a superb drop-off full of surprises.
- We return to the hotel mid-afternoon to enjoy the swimming pool and the hotel garden.
- Dinner is in a small local warung (not included in our rates).
- Night in Pemuteran Hotel.

PADANG BAI

Day 5: 2 dives

- Morning transfer to Padang Bai (1h30 drive).
- We will board small traditional outrigger boats to head to Blue Lagoon (5 minutes) for your first dive. A nice setting for macro and occasional bigger surprises.
- Surface interval on the boat with snacks, tea, and coffee.
- Second dive at Tanjun Sari dive site (based on conditions). We can explore the crevices of large rocks in search of reef sharks or even observe very large turtles residing in the area. Pelagics are also possible.
- Return to land for lunch.
- Boat transfer to Nusa Penida where we will check into the hotel near our dive center in Nusa Penida.
- Dinner at a local warung (not included in our rates).
- Night at Nusa Penida Hotel (air conditioning and hot water).

NUSA PENIDA

Day 7: 2 dives

- Board our speed boat for the first dive at Manta Point, dive with manta rays at a cleaning station, an unforgettable dive!
- The second dive is at Crystal Bay (depending on conditions). A site known worldwide for the frequency of encounters with the mola-mola and crystal clear visibility and much cooler water.
- Lunch at the Nusa Penida dive center and hotel check out.
- Return to Sanur and south Bali.

GILI MIMPANG/TEPEKONG

Day 6: 3 dives

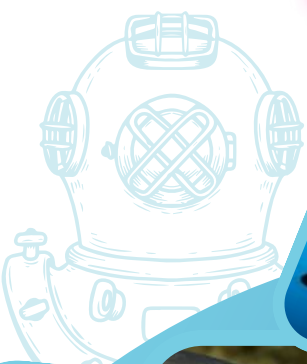

- Depart from our Nusa Penida dive center to the small islands of Gili Tepekong and Mimpang (25 to 30 minutes).
- First dive at Gili Mimpang with its drop-off. It is not uncommon to encounter small reef sharks and not rare to see the incredible Mola-Mola (in season).
- Surface interval on the boat with snacks, coffee, and tea.
- Second dive at Gili Tepekong, a much more diverse dive site but sometimes also challenging to discover!
- Return to Nusa Penida dive center for lunch.
- Third dive on north of Nusa Penida. A drift on the coral plateau, rich in fauna and color.
- Return to Nusa Penida and the hotel.
- Dinner at a local warung (not included in our rates).
- Night at Nusa Penida Hotel.

For the Gili Mimpang and Gili Tepekong sites, you are required to be at least Level 2 or Advanced Open Water. Your guide will assess your level on the first day and advise if it is better to do the dives in Padang Bai or Gili Mimpang and Tepekong.

- Padang Bai critters
- Gili Mimpang/Tepekong
